About KCP

Kishor Chemistry Classes was founded in 2005 with the vision of empowering the students of Western Maharashtra through strong conceptual learning in Chemistry. Over the years, it built a reputation for academic excellence, personal mentoring, and producing successful results in competitive exams.

With the growing demand for all-round coaching in 2016, under the leadership of Chairman Vishal Pagade Sir, Kishor Career Point (KCP) was established. The academy expanded its focus beyond Chemistry, offering comprehensive coaching for MHT-CET, NEET, JEE Main & JEE Advanced.

Today, Kishor Career Point stands as a trusted name in competitive exam preparation, known for its expert faculty, structured study plans, personalized mentoring, and consistent success of students. At KISHOR CAREER POINT, we believe that every student has the potential to achieve greatness with the right guidance, discipline, and hard work.
